

Puma Meeting 2023
20 years Community of Interest
under the motto: "Back to the 70's"
from 18. to 21.05. in Vielbrunn

On the first evening, we were at the welcoming event at the Limes restaurant.

With the large crowd, it was already very familiar there.

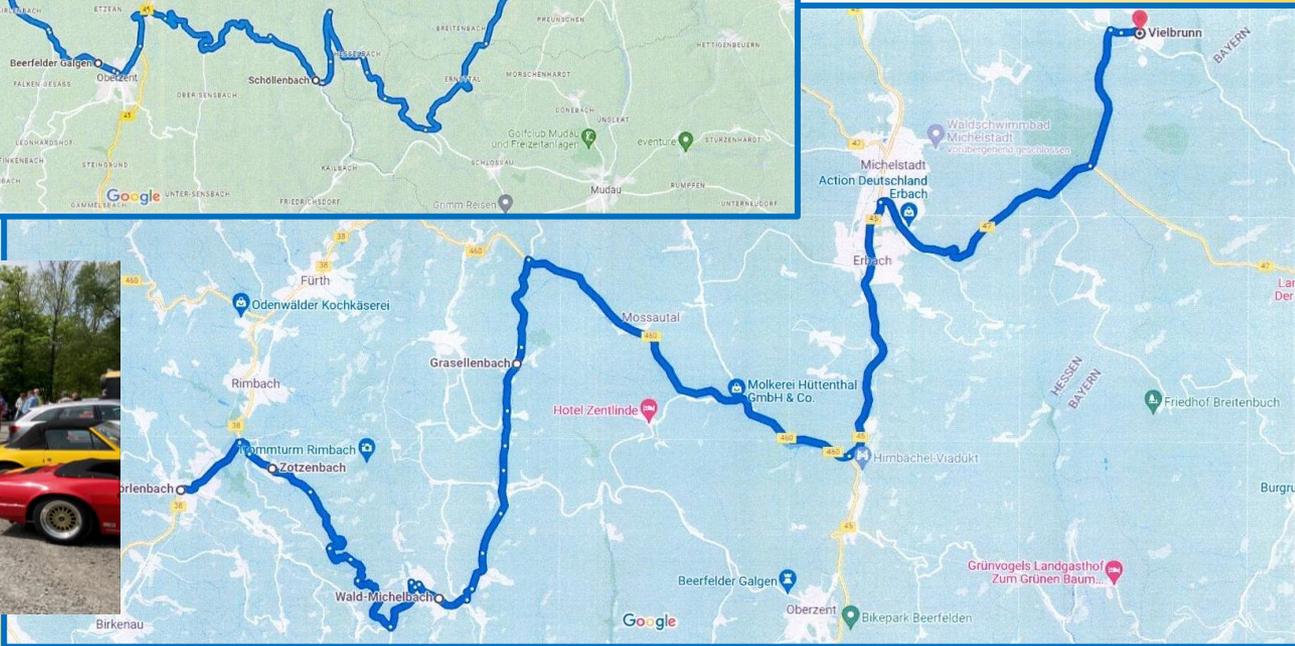

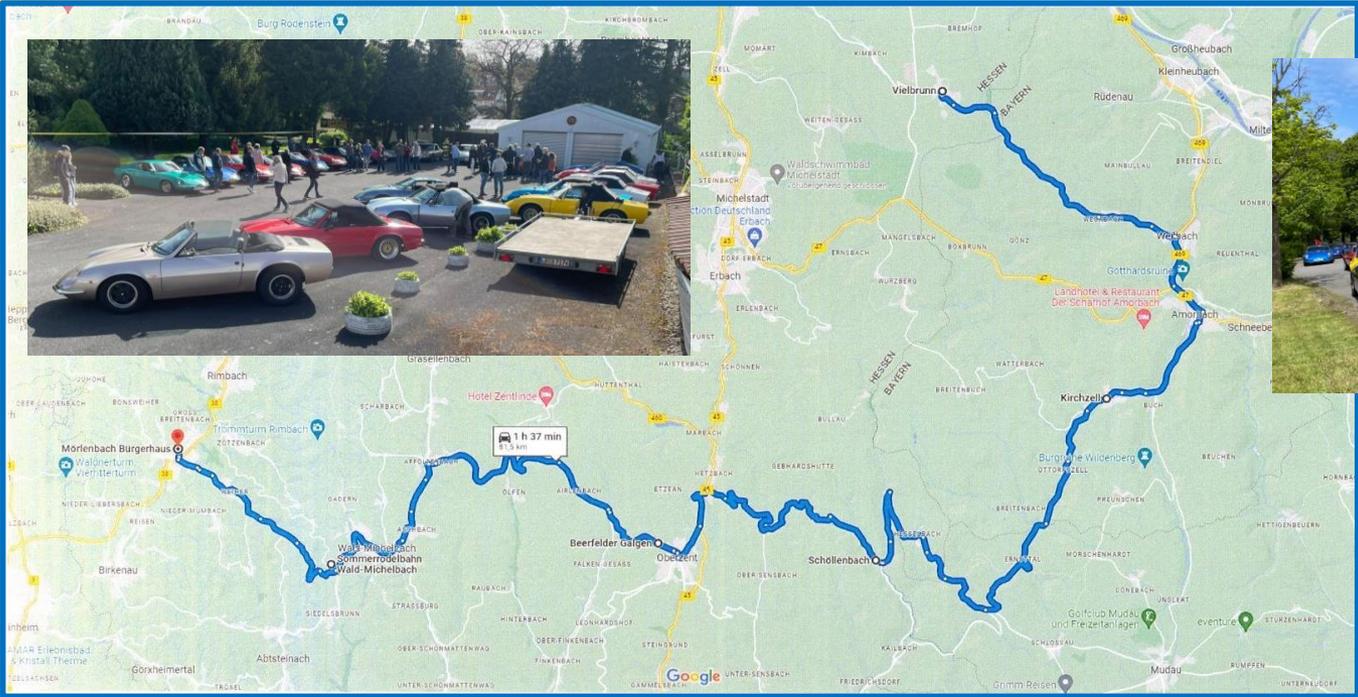

The Orga team handed out the welcoming folders with the name tags for all participants and informed about the planned highlights of the next days.

Many of the participants were there for the first time, which made us very happy!!! And it was again an international meeting with Pumeiros from Switzerland, Austria, Holland, Brazil, and, of course, from Germany. We also welcomed some Pumeiros of the next generation.

A first highlight was the handover of the gifts from the local production of Jack Weijker, that Thomas had brought back from his visit with Pieter Du Toitt from South Africa.

On Friday the 19.05. the tour led us over the summer toboggan run in Wald-Michelbach to Mörlenbach to the Solar-Draisinen - a beautiful route. Unfortunately, one or the other has lost sight of the goal despite super directions given by our road marshalls Sandra and Stefan 😊

With the solar streetcars of the Überwaldbahn in Mörlenbach, the participants cycled to Wald-Michelbach. From there they went back to the parked Pumas by bus.

A refreshment after the strenuous tour had to be

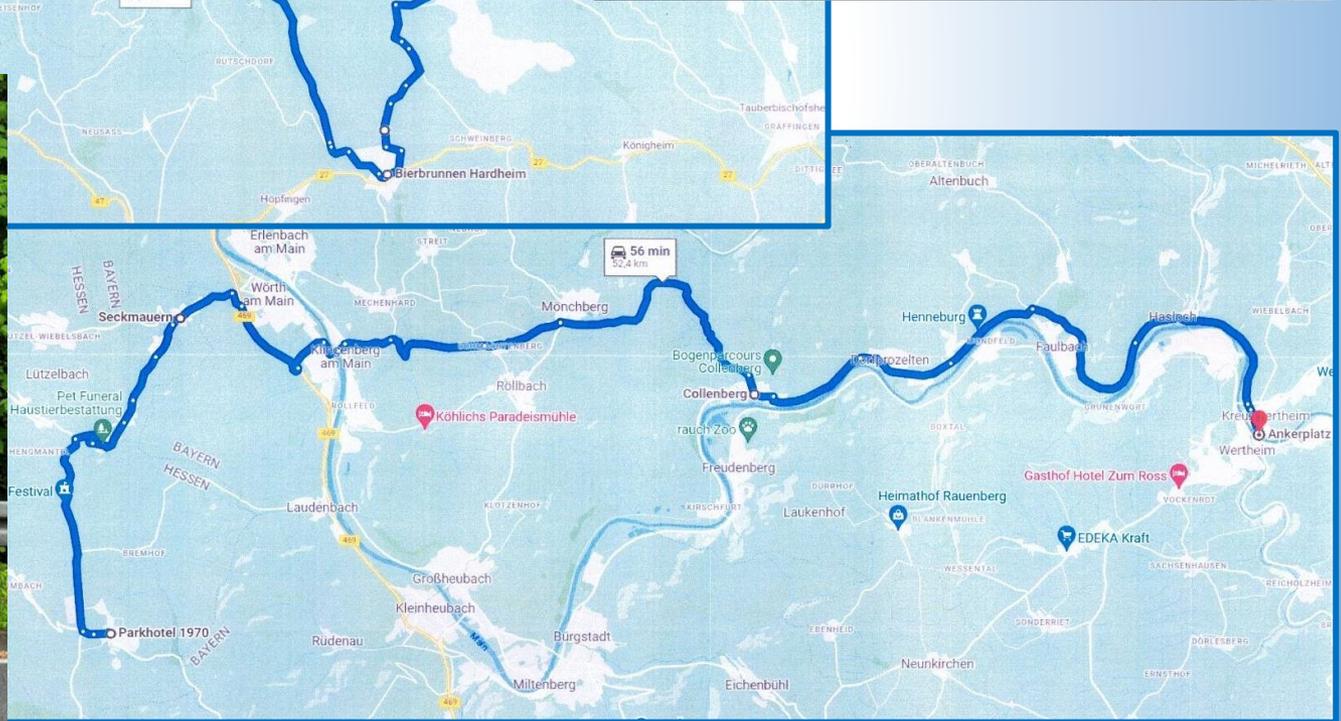

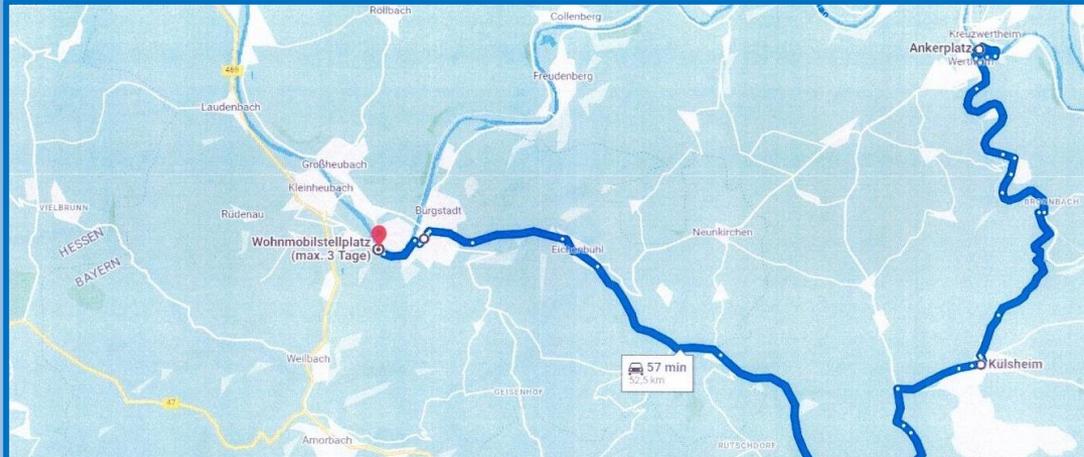

Everybody buckle up, the ride starts !!!!!

In the evening all participants met at the Grüner Baum in Kimbach, great food and an absolutely relaxed atmosphere.

On Saturday 20.05. the tour took us from Vielbrunn to Kreuzwertheim to the "Ankerplatz". After a short break we continued to the beautiful Miltenberg.

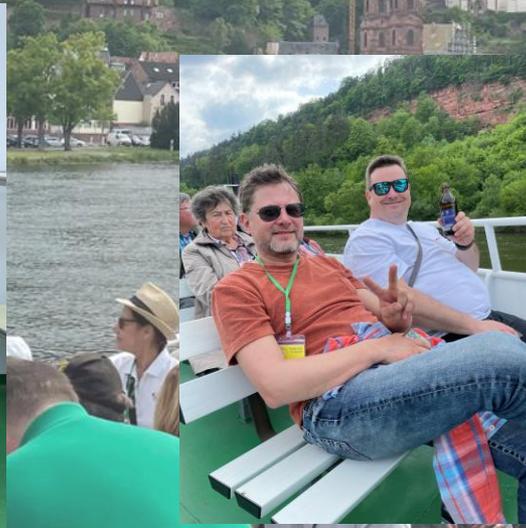

In Miltenberg, all participants were able to take a look at the beautiful town and enjoy lunch before boarding the beautiful excursion boat Sivota for a tour on the River Main.

On the "wild" Main, 90 minutes rest, relaxation and pleasure - part 1

Impressions from the Parkhotel 1970, plenty of space to relax and talk shop.

Evening event at the Parkhotel - 20 years Puma CoI

On Saturday evening we all met at the Parkhotel 1970 for the 70s buffet, of course, with music from the 70s.

The buffet offered everything you surely remember from that time: Mett-hedgehogs, asparagus-ham-rolls, stuffed eggs, fake rabbit, Jell-O and the corresponding clothes.

We were also able to celebrate the 20th anniversary of the Puma Community of Interest Europe. A total of 11 Pumeiros, who started the CoI in Höchststadt an der Aisch in 2003, were present. It was a pleasure for the Orga Team to be able to present the honorary pins to these long-time members. A nice report from Thomas about his trip to South Africa and many dances rounded off the evening.

Parkhotel 1970 What a location !!!

Every evening the bar was open exclusively for us - OPEN END!!!! This was used extensively by many participants. Plenty of time to get to know each other, to talk about the Pumas and to review the experiences of the last 20 years.

25 Pumas and almost 60 participants, what a meeting !!!
Many thanks to all, you are a great group !!!
